

The Career Chronicles

As the colors of Holi fill the air, let's also add vibrant new possibilities to every career journey! March is a crucial time for career exploration and informed choices, with board exams wrapping up and students preparing for the next big step.

We're excited to bring you this month's edition of The Career Chronicles, where we dive into key insights and share real-world impact stories.

Let's get started!

Finding the Correct Path

Choosing the Right College

Ojsvi Sharma

Selecting the right college or university is a critical decision that shapes your academic and professional journey. Ojsvi Sharma, Career Counselor at iDreamCareer, shares insight on how to **navigate the complex world of college admissions with confidence.**

Implementing Career Guidance programs across Schools in India

Sunbeam College, Varuna

In collaboration with Sunbeam Varuna, iDC implemented the second phase of the career guidance program which included career awareness workshops and 1:1 sessions impacting 250 students.

Amrit Vidyalaya, Gujarat

IDC implemented a career guidance program at Amrit Vidyalaya Kalol, impacting 128 students in collaboration with NAAV Learning. We also engaged with parents and students through PTM activities for 9th and 10th grade students

Clarence High School, Bangalore

The career guidance program at Clarence High School Bangalore, supported 173 students from grades 8th to 12th. The program included career planning and awareness workshops, psychometric assessments, personalized 1:1 counseling sessions and access to the student portal for one year.

Sunbeam School, Mau

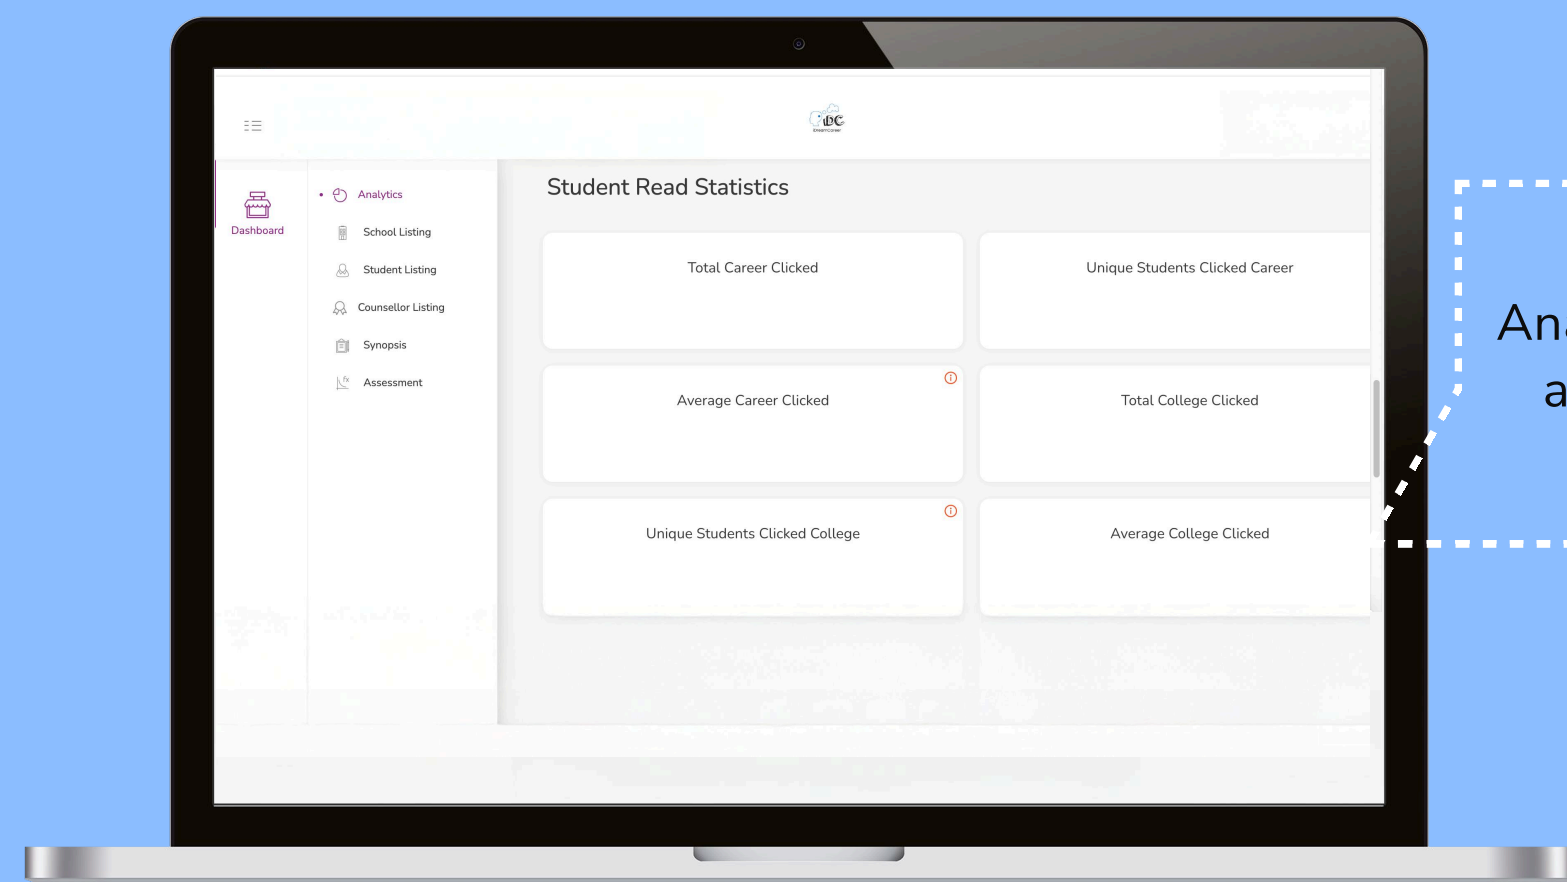

558 students from grades 9th to 12th were impacted through our career guidance intervention at Sunbeam School Mau, which included career planning and awareness workshops, psychometric assessments, personalized 1:1 counseling sessions and access to the student portal for one year.

“Education is education. We should learn everything and then choose which path to follow.”

- Malala Yousafzai

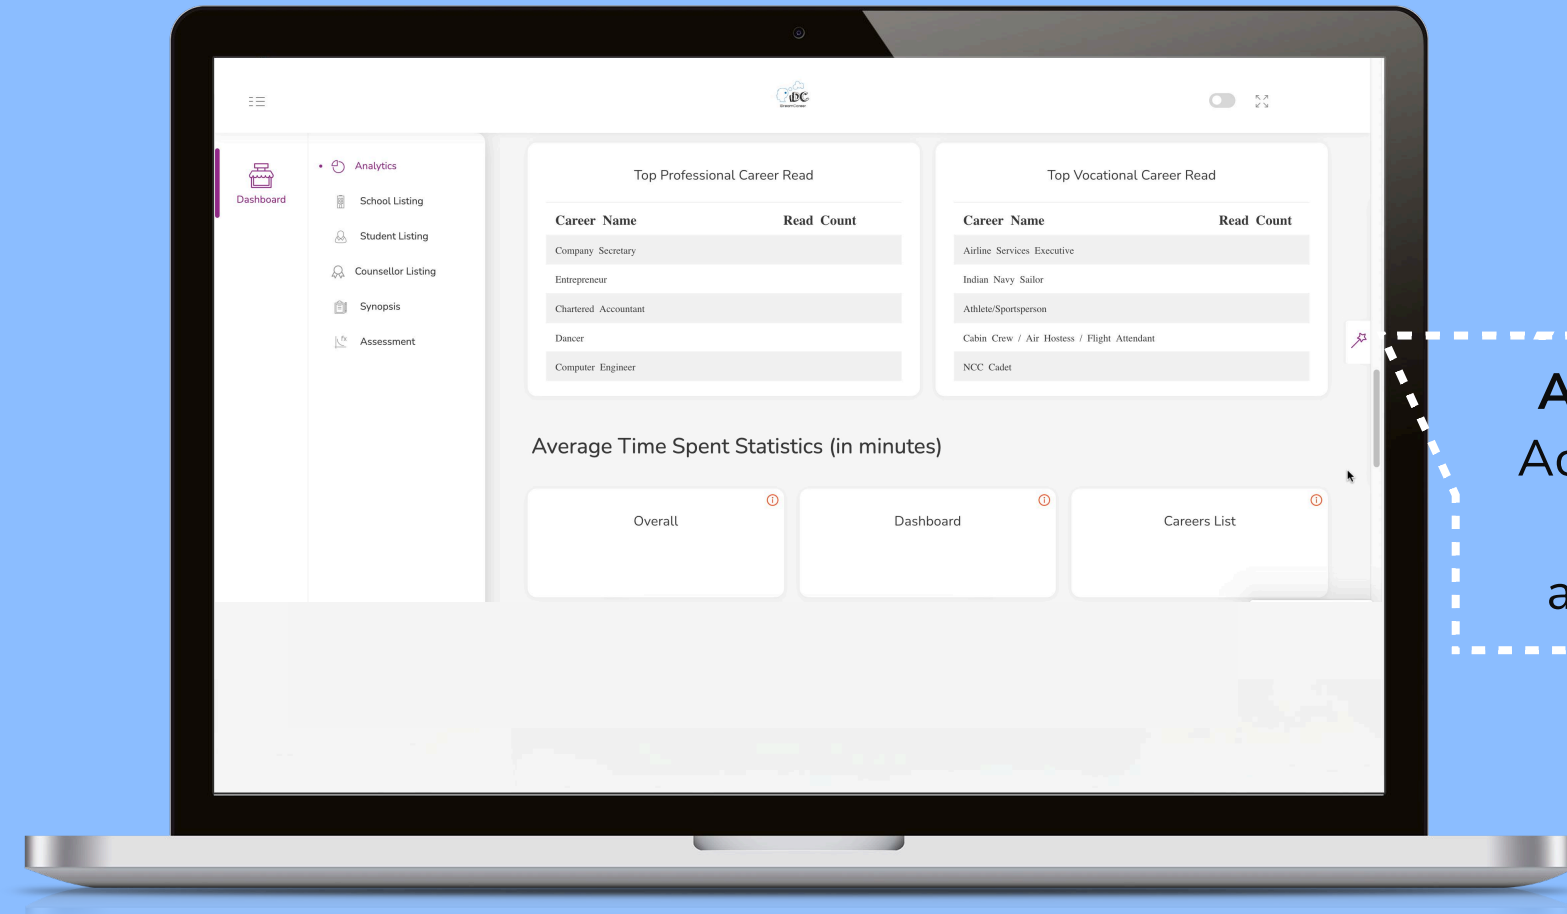

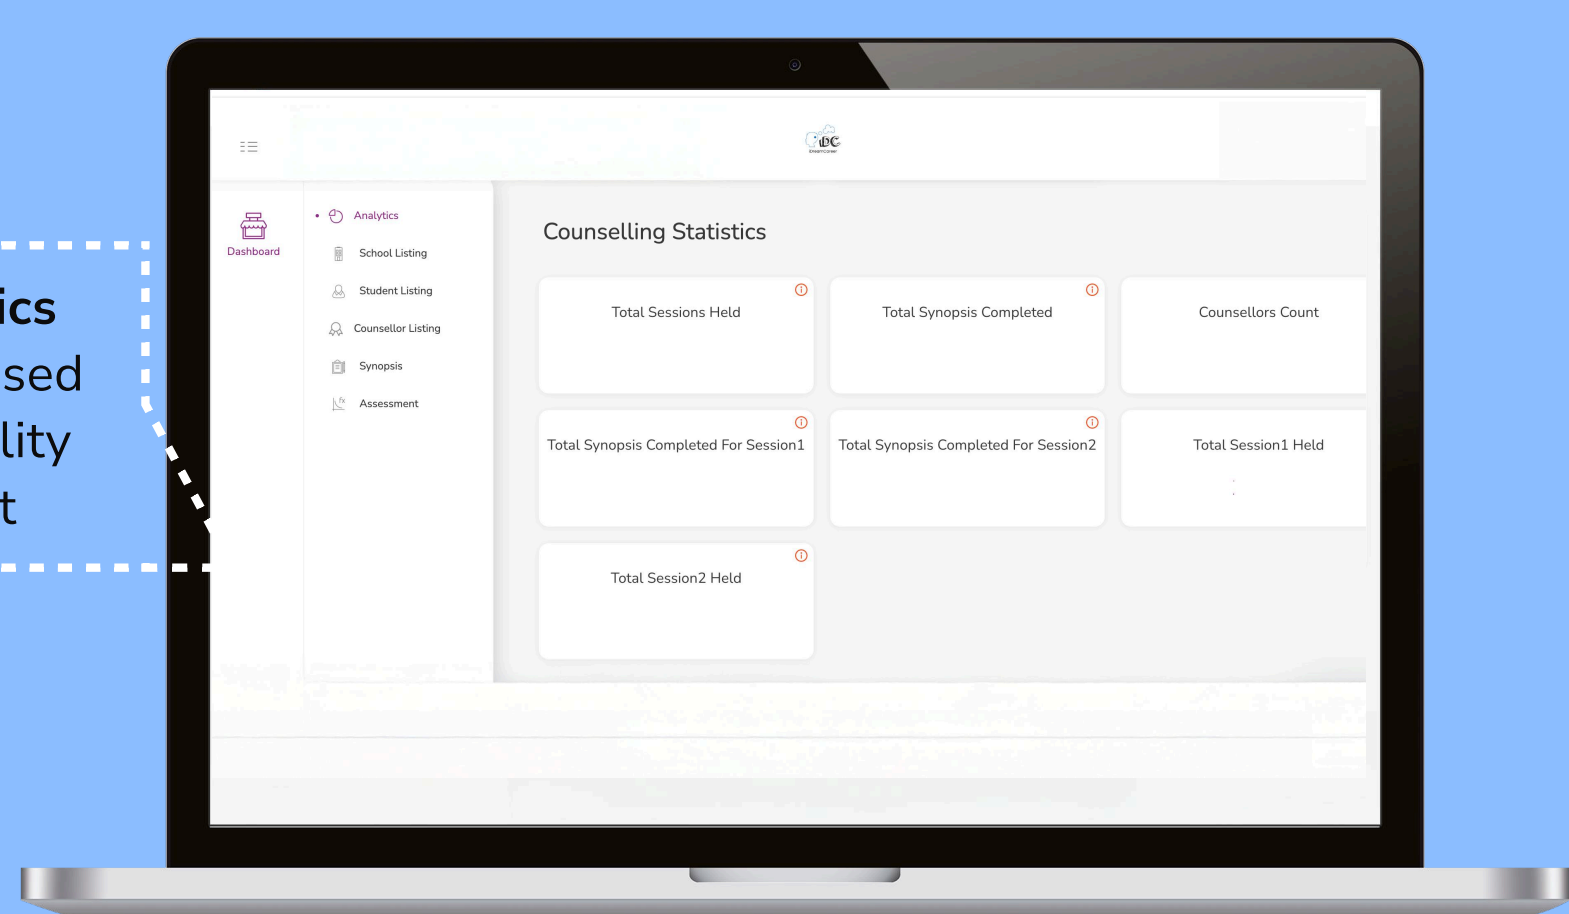

iDC Technology
