

Breaking Barriers, Inspiring Futures

December'24 and January'25 Social Impact Highlights

As we step into February, we reaffirm our commitment to making career counseling accessible to all — regardless of class, creed, background, or language. Every student deserves the right guidance to unlock their potential and create pathways to brighter futures.

Here's a glimpse of our impactful interventions that are transforming lives:

Highlights

Celebrating Excellence at Edulnspire Talks

On January 31st 2025, we launched the iDC Inspiration Calendar 2025 at the event Edulnspire Talks – Path of Determination from School to College in partnership with Nexus of Good Foundation. The event brought together inspiring student voices, impactful discussions, and a shared commitment to empower students from underserved communities.

This event reaffirmed why career guidance is crucial, not just as a service, but as a catalyst for change. A heartfelt thank you to all our partners, attendees, and most importantly, the students who inspire us every day.

Empowering Students in Rajasthan via Career Guidance and Life Skills

In collaboration with Bal Raksha Bharat, five impactful sessions across three schools focused on time and stress management, leadership, effective communication, and critical thinking — equipping students with the tools to thrive in an evolving world. These sessions encouraged students to apply these skills in real-life situations, building their confidence and decision-making abilities.

Transforming Rural Education in Jawahar

The first phase of the Jawahar intervention saw remarkable progress with 380 assessments completed, 96 one-on-one sessions conducted, and life skills workshops delivered across five schools. The use of projectors and digital tools in these rural schools significantly enhanced student engagement and made career planning more relatable and accessible.

Integrating Career Guidance in STEM Intervention

We launched a career guidance intervention to create awareness on STEM and Non-STEM Careers. This is done in collaboration with Siemens India and its NGO partners to promote science and innovation among over 5000 students. This initiative is being implemented in Chennai, Gurgaon, Bengaluru, and Noida, providing students with tailored and contextual guidance in vernacular languages.

Career Guidance in Tamil Nadu

In collaboration with Learning Links Foundation we are impacting 1100 class 10th students in Tamil Nadu by providing career guidance through a medium of localised languages. The intervention in Chennai was successfully completed in five schools by 4th December. The intervention began on 23rd November, and all planned sessions were carried out as scheduled.

JK Tyres Career Guidance Program

The second phase of the JK Tyres Career Guidance Program is empowering 1,500 students across multiple cities through career awareness workshops and one-on-one counseling. As a part of the same program, we've successfully conducted Career Awareness Workshops (CAWs), engaging 162 students from Grades 10 and 12 at Kankroli.

Career Planning in SOSE Schools in Partnership with The Education Alliance

By January's end, interventions in 35 SOSE schools reached 6000+ students through career orientations and assessments, ensuring comprehensive guidance. The sessions emphasized critical aspects of career planning, such as understanding industry trends and leveraging local opportunities, to help students envision their futures with clarity.

NDMC partnership launched to impact 7000 students

We proudly launched a career guidance initiative with NDMC Delhi, targeting 7,000 students across 30 schools with workshops, assessments, and a dedicated helpline for personalized support. This initiative marks a significant step in democratizing access to career counseling resources, enabling students from diverse backgrounds to access meaningful guidance.

Industry Exposure to Career Guidance Program

In partnership with Michael & Susan Dell Foundation, we are helping to bridge the career gap for over 20,000 students in Uttar Pradesh. On January 19, 2025, 25 students from GGIC Vikas Nagar School participated in a hands-on culinary workshop led by Head Chef Himanshu Tandon to gain career insights into hotel management. By the end of the session, 12 students expressed interest in NCFI's Chef Diploma Course, opening doors to scholarships, part-time jobs, and placements in top hotels.

Building Future Leaders: Life Skill Workshops in Odisha

Life Skill Workshops on leadership and management were conducted across Bonai, Panposh, and Sundargarh districts, helping students develop communication, decision-making, and self-awareness skills. These sessions, part of a larger initiative impacting 42,000 students, received enthusiastic feedback, reinforcing our commitment to preparing students for leadership roles in their careers and communities.

Empowering 9000 dreams with Credit Access India Foundation (CAIF)

Through its rural quota CSR initiative, Credit Access India Foundation (CAIF) in partnership with Aasman Foundation, is enabling career guidance to 9,000+ Class 10 students from Jharkhand and Uttar Pradesh through career workshops and booklets to help them make informed choices.

Empowering futures with Publicis Groupe India

We have partnered with Publicis Groupe India to bring career guidance to 42,000 students from Delhi-NCR, Maharashtra, and Telangana. As part of this initiative, we conducted career counseling sessions for Grade 10 students of Parle Tilak Vidyalaya, Marathi Medium High School, helping them explore career pathways, future opportunities, and boost their confidence.

With this collaboration, we continue our mission of Career Counseling for all, ensuring that every student, regardless of background, has access to the right guidance to shape their future.

As we embrace 2025, we're more committed than ever to empowering students and educators across the country. Stay tuned for more updates and success stories as we continue this journey together! Reach out to partner with us.
