

Empowering Students with Career Clarity

February 2025 Social Impact Highlights

Dear [Recipient's Name],

As we step into another month, we're excited to share the impact of our recent career guidance initiatives. From interactive boot camps to one-on-one mentoring, we've been dedicated to equipping students with the knowledge and confidence to make informed career choices.

Here's a look at some of our key activities in February.

Highlights of February 2025

Empowering Futures: Career Awareness at Study Hall School, Lucknow

300+ Students Gained Career Clarity Through Targeted Workshops

We successfully wrapped up our social impact project with Study Hall School, helping Grade 9 and 10 students explore career paths and make informed choices. Through interactive sessions, we provided structured guidance, career awareness, and access to our career portal for a full year—ensuring continuous learning beyond the classroom.

Career Boot Camp: Real-World Career Insights with Quest Alliance

Hands-On Career Exploration to Equip Students for the Future

In collaboration with Quest Alliance, we launched the "Career Boot Camp," an immersive experience designed to help students align their strengths, aspirations, and career goals. From self-awareness exercises to interactive activities like career matching and case studies, students engaged in a structured approach to career planning.

Breaking Barriers: Career Guidance Milestones at Worli

153 Career Assessments and 147 Personalized Counseling Sessions Conducted

Demonstrating operational excellence, we successfully delivered structured career interventions to Grade 9 and 10 students. Through career assessments, one-on-one mentoring, and targeted workshops, we empowered students with a deeper understanding of their strengths and career possibilities.

With 147 sessions conducted, we didn't just guide careers - we impacted 147 lives, shaping futures and expanding horizons.

Personalized Career Planning for Students Supported by GMR Varalakshmi Foundation

One-on-One Sessions Helped Students Take Informed Next Steps

Our timely and multiple one-on-one sessions have not only provided students with access to qualified career counselors but also delivered tailored guidance to help them navigate their career journeys with clarity and confidence.

Career Mela in Uttar Pradesh: Empowering Students with Career Insights

Career Guidance from ASI Jagriti Singh, and others

With support from iDC and its counselors, our Career Melas at GQIC Lahurabir and GHS Thathara connected students with industry experts, providing guidance on entrance exams, professional courses, and future opportunities. These events played a vital role in helping districts and schools equip students with the knowledge to make informed career choices.

MIMA Project: Structured Career Guidance with iDC

Empowering Students with Career Clarity, Goal Setting & Mentorship

As a dedicated partner, iDC empowers NGOs to enable career guidance for students from Grades 8 to 12. Through workshops, career assessments, and one-on-one counseling, we equip students with the knowledge to make informed academic and professional decisions. With structured interventions like the Low Touch Program API and Medium Touch Program with 2 one on one programs, we ensure long-term career impact, helping students confidently shape their futures.

Every initiative brings us closer to a future where students have the tools, confidence, and knowledge to build successful careers. We remain committed to making career guidance accessible and impactful.

Thank you for your continued support in shaping the next generation of leaders!

Best regards,
Team iDreamCareer
