

Guiding Futures, Shaping Dreams

April 2025 Social Impact Highlights

Dear [Recipient's Name],

April at iDreamCareer was a month of action, access, and aspiration. From bustling metros to remote districts, our team worked hand-in-hand with partners to bring career clarity and confidence to over 20,000+ students across India. Whether it was through one-on-one sessions, teacher trainings, or group workshops, every interaction moved a young mind closer to their dreams. Here's a snapshot of the journeys we enabled this month—told through numbers, names, and stories of impact

Highlights of April 2025

Career Guidance within Rajasthan (HZL)

In partnership with Hindustan Zinc Limited (HZL), iDreamCareer conducted career guidance sessions across Ajmer, Rajsamand, Bhilwara, Udaipur, and Chittorgarh. The program reached 1,750 students in its first phase through CPO sessions, assessments, and career awareness workshops. This is part of HZL's larger mission to empower over 3,000 students across 71 government schools with informed career choices.

Career Guidance in Uttar Pradesh

iDreamCareer reached students across 80 schools in Lucknow, Varanasi, Ghaziabad, Meerut, and Kanpur and impacted over 3500 students through assessments, one on one and entrance exams. Led by our Ops Lead, Shivendra Vikram Singh, these efforts helped students better understand their strengths, build confidence, and make informed academic and career decisions.

Career Guidance Across Delhi-NCR, Maharashtra & Telangana: Powered by Publicis Groupe

In April 2025, iDreamCareer, in collaboration with Publicis Groupe, conducted group counseling workshops and psychometric assessments for 12,000 students across Panipat, Gurugram, New Delhi, Mumbai, Pune, and Hyderabad. The initiative also included one-on-one counseling for Grade 12 students in SOSE, NDMC, and Hyderabad government schools, along with extended helpline support—ensuring students had access to personalized guidance and informed career planning.

Career Guidance in Odisha: Building Teachers Capacity in Sundargarh

iDreamCareer conducted a 4-day teacher training workshop in Sundargarh, Odisha, led by Prashant Kumar, with 212 teachers participating. Focused on life skills, career guidance tools, and dropout prevention strategies, the sessions were supported by the ADO and BEO, who praised the initiative for empowering teachers to better support students' holistic growth and career readiness.

Career Guidance with Concern India & Child and Vidya Foundation

At the Noida centre, iDreamCareer conducted the first phase of its program with 29 students supported by Concern India Foundation. The session included career planning orientation and psychometric assessments to help students begin their journey toward informed career choices.

Career Guidance with OneStage

Under the Wings4Her program, iDreamCareer conducted career guidance and life skills workshops across four schools in Delhi (Yamuna Vihar, Badarpur Border), reaching 300 girls and inspiring them to explore STEM careers while breaking stereotypes and boosting confidence.

Career Guidance in Chennai with Learning Link Foundation

Led by Mr. Alok Upadhyay and Ms. Sameera Jabeen from iDreamCareer, we delivered psychometric assessments and 1:1 career sessions to over 340 students across 2 government schools in Chennai, strengthening clarity and direction in their academic journeys.

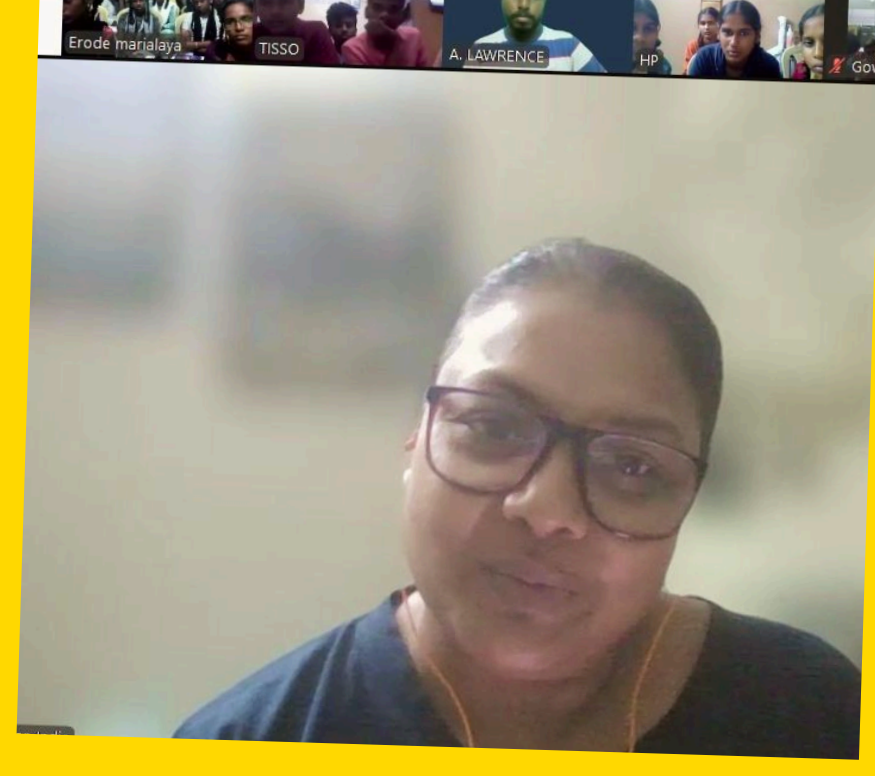

Career Guidance with DLF Scholars

In Phase 4 of our year-long intervention with DLF CARES, we supported over 1088 students from grade 12 in shortlisting exams, colleges, financial aid, and tracking their admissions—ensuring they are fully prepared for the next career move.

Career Guidance with MFI

We conducted over 500 assessments in 8 states including Maharashtra, Madhya Pradesh, Karnataka and Tamil Nadu, with ongoing 1:1 sessions to guide 1100+ students through personal and academic growth.

Career Guidance with Quest Alliance Yadgir

Through the EcosySTEM project with Quest Alliance, we kicked off 1:1 telephonic counseling for 178 students across 6 schools in Yadgiri (Karnataka), helping them navigate career paths and prepare for scholarship exams with confidence.

Career Guidance with Makkala Jagriti

iDreamCareer conducted an engaging offline workshop and online assessment for 16 students at the Makkala Jagriti Bangalore Center, sparking clarity in their career journeys.

As we wrap up April, one thing is clear - **career guidance is not just support, it's empowerment.**

Thank you to all our collaborators, educators, and champions who made these milestones possible. With every session, every assessment, and every smile, we're building a more informed, equitable future. Let's carry this momentum forward - **because every student deserves a roadmap, not just a destination.**
