

The Career Chronicles

June 2025

Hi [First Name],

What does summer look like in schools?

A bit of calm in the corridors. A lot of planning for what's next. And a great moment to pause and ask: *how can we guide students even better?*

This month, we've been in rooms full of curious parents, inspired educators, and thoughtful counselors, talking about the future of work, emotional resilience, and how career choices are changing fast.

Grab a cup of chai and catch up on what's been happening at iDreamCareer.

The Future of Work

Building bridges between education and industry

Mr. Amit Arora

Managing Partner, Business Consulting

In this edition of iDC Connect, Amit Arora broke down the big shifts happening in the world of work and what that means for students today.

From essential future-ready skills to bridging gaps between schools and industry, the session focused on how we can build ecosystems where learning never stops.

May 2025 Highlights

Collaborations and Discussions at IC3 Regional Forum, Dehradun

Ms. Meenu Arora, Director - School and University Programs, was invited as a guest speaker at the IC3 Regional Forum held at Unison World School, Dehradun. She spoke about how students can learn to navigate uncertainty and change in today's fast-moving world. The session was attended by school leaders and counselors from Dehradun, Mussoorie, and Rishikesh. We thank Ms. Mona Khanna, Principal of Unison World School Dehradun, for this opportunity.

Career Awareness Workshop at Cambridge International School, Dasuya

At Cambridge International School, Dasuya, Ms. Anamika led a dynamic career awareness session introducing students to exciting fields like AI, robotics, and digital design. The session helped them understand the skills and study paths needed to explore these future-forward careers.

Career Planning Orientation at Nehru World School

At Nehru World School, students explored how to align their strengths with future career paths through an engaging orientation by Radhika Teotia. Followed by one-on-one sessions with iDC counselors, the experience helped them gain clarity and confidence to plan ahead.

Parent session at SummerFields School, DLF Gurgaon

We had a lovely session with Grade 12 parents at SummerFields School where we discussed the big question: how can parents support their child's career journey without overwhelming them? We unpacked the latest trends in the world of work, talked about new-age careers, and shared ways parents can be active but balanced allies during this phase.

Career Awareness Workshop at Vasal Group, Hoshiarpur

At GEMS Cambridge International School, Hoshiarpur, a part of Vasal Group, Ms. Anamika conducted engaging career awareness sessions that introduced students to careers in AI, robotics, and digital design. The sessions helped students connect their interests with future career possibilities and understand the skills needed to thrive.

As we slow down a bit for summer, our vision is as clear as every student deserves the chance to make informed, confident choices about their future. We're grateful to all the schools, educators, and parents walking this journey with us. Let's keep showing up for students, one step at a time.

Until next time,
The iDreamCareer Team
