

Counseling Recommendation Report

Sample report

iDream Career • BlueSpring

Grade 9-10 Report

A personalized report co-created by our career counselor and AI Co-pilot after a 1:1 counseling session - built by mapping the student's aspirations, academics, aptitude interests, personality and prior psychometric assessment.

Top 3 Interest Themes

Career Cluster Recommendations

Primary Career Recommendation

Business Management

Why this Cluster?

- Fitment Score: 73/100 Highest fitment among top 10; matches both psychometric and aspiration.
- Stream Alignment: Fully accessible to Commerce with Maths; preferred stream is Commerce with Maths.
- Aptitude & Personality: Strong numerical (9) and verbal (8) aptitude; high conscientiousness and interpersonal orientation support management roles.
- Interests: Enterprising (10/10) and social (7/10) interests align with business and leadership.
- Academic Score: 87% Strong academic foundation for business studies.
- Profile Match: Directly matches career aspirations (Business & Administrative Managers); relevant subjects and extracurriculars (MUN, entrepreneurship).

Top Careers:

- Business & Administrative Managers
- Entrepreneurs
- Human Resource Managers

Sales & Marketing

Why this Cluster?

- Fitment Score: 59/100 Strong fitment and directly matches stated career aspiration.
- Stream Alignment: Open to all streams, accessible to Commerce with Maths.
- Aptitude & Personality: High numerical and verbal aptitude; extroverted, competitive, practical traits suit sales and marketing.
- Interests: Enterprising (10/10) and social (7/10) interests are highly relevant.
- Academic Score: 87% Well-suited for academic demands in this field.
- Profile Match: Matches interests in content creation, entrepreneurship, and aspiration for Sales and Brand Managers.

Top Careers:

- Sales and Brand Managers
- Marketing Professionals
- Digital Marketing Experts

Backup Career Option

Finance & Banking

Why this Cluster?

- Fitment Score: 50/100 Solid fitment; offers strong career prospects with Commerce with Maths.
- Stream Alignment: Open to all streams, preferred for Commerce with Maths.
- Aptitude & Personality: High numerical aptitude (9/10); organized, practical, and focused personality traits are advantageous.
- Interests: Enterprising and conventional interests support finance sector roles.
- Academic Score: 87% Meets academic rigor required for finance pathways.
- Profile Match: Complements business and management interests; offers alternative high-growth career options.

Top Careers:

- Chartered Accountants
- Investment and Portfolio Managers
- Financial/Equity Research Analysts

🌟 Career Aspiration Evaluation

Aspirational Career: Business & Administrative Managers, Sales and Brand Managers

Aspirational Evaluation: Commerce with Maths stream is ideal and accessible for both aspirations. High numerical and verbal aptitude, strong enterprising and social interests, and relevant extracurriculars (MUN, entrepreneurship, content creation) support these careers. Personality traits (organized, social, practical) are well-suited for business and sales roles. Academic score (87%) exceeds threshold for competitive management and sales pathways. Recommend continued skill development in leadership, communication, and digital marketing; be prepared for high competition and dynamic industry changes.

Final Recommendation: Suitable

GRADE 9-10 RECOMMENDATION REPORT

Hi Avnika Duggal! This is your personalised Career Recommendation Report, created just for you. Based on your interests, strengths, and aspirations, it highlights the most suitable subject combination, top career pathways you can explore and your career aspiration evaluation to help you move forward with confidence.

Counseling Recommendation Summary

Recommended Subject Combination

Commerce with Maths

- **Core Subjects:** Accountancy, Business Studies, Economics, English, Mathematics
- **Optional Subjects:** Entrepreneurship, Informatics Practices, Applied Mathematics, Marketing, History, Civics, Communication Skills

Recommended Career Cluster

Primary

- Business Management
- Sales & Marketing

Backup

- Finance & Banking

Academics

- 📊 Current Marks- 87%
- 📖 Favourite Subjects- English, History, Civics
- 📖 Dislike Subjects- Hindi, Physics, Chemistry, Biology
- 🎯 Career Aspiration- Business & Administrative Managers, Sales and Brand Managers
- 📈 Stream Aspiration- Commerce with maths

Hobbies

- Model United Nations (MUN)
- Entrepreneurship (Small online business / reselling)
- Content Creation (YouTube/Reels)

Student API Details

Aptitude score:

High Scored Areas

- Numerical Aptitude: 9
- Verbal Aptitude: 8

Medium Scored Areas

- Mechanical Aptitude: 4
- Reasoning Aptitude: 4

Low Scored Areas

- Spatial Aptitude: 2

Personality Area:

You seem to be:

- Practical
- Focused, Organized
- Social, Extravert
- Diplomatic
- Self-aware

Recommended Subject Combination

Commerce with Maths

Why choose this Subject Combination:

Alignment with Student Profile:

- Directly aligns with the students academic strengths (87%), high numerical (9) and verbal (8) aptitude, and strong enterprising and social interests.
- The students top 3 recommended clusters (Business Management, Sales & Marketing, Finance & Banking) are all fully accessible and preferred for Commerce with Maths.
- Avoids strongly disliked science subjects (Physics, Chemistry, Biology) and leverages favorite subjects (English, History, Civics) for business and management roles.
- Matches both the students aspiration and psychometric profile, providing maximum pathway access and future flexibility.

Cluster Set Access: Commerce with Maths provides access to:

- Business Management
- Sales & Marketing

These sets match your highest fitment scores and maximize your career options in line with your profile.

Ideal Subjects to Consider:

- Accountancy
- Business Studies
- Economics
- English
- Mathematics
- (Optional: Entrepreneurship, Informatics Practices, Applied Mathematics, Marketing, History, Civics, Communication Skills, as per school availability and interest)

Subject Combination Aspiration Evaluation

Aspiration: Commerce with Maths Alignment:

- Commerce with Maths is the preferred and eligible stream for all approved clusters and career pathways. High aptitude and academic performance support advanced commerce and business studies. Matches students favorite subjects, avoids dislikes, and aligns with career and extracurricular interests. Provides the best foundation for Business & Administrative Managers and Sales and Brand Managers. No conflicts or major risks identified; student is well-positioned for success in this stream.

Final Recommendation:

Suitable

Grade 11-12 Report

A personalized report co-created by our career counselor and AI Co-pilot after a 1:1 counseling session - built by mapping the student's aspirations, academics, aptitude interests, personality and prior psychometric assessment.

GRADE 11-12 RECOMMENDATION REPORT

Hi Ananya Mahajan! This is your personalised Career Recommendation Report, created just for you. Based on your interests, strengths, and aspirations, it highlights the recommended career clusters, top career pathways you and colleges, courses, exams related to help you move forward with confidence.

Top Career pathways prioritised by the counselor

• Science & Mathematics (Primary)

Career Pathway-

Data Scientist/Data Analysts

Course

- B.Sc. (Data Analytics) / B.S. Data Science

Colleges

Aspirational Colleges

- Indian Statistical Institute Delhi
- Indian Statistical Institute Bengaluru
- Indian Institute of Technology Madras

Realistic Colleges

- Christ University Bengaluru
- Manipal Institute of Technology MIT Karnataka

Backup Colleges

- Birla Institute of Technology Mesra Off Campus Jaipur
- SRM Institute of Science and Technology, Chennai

Entrance Exams

Aspirational Colleges Exams

- JEE-Advanced (Indian Institute of Technology Madras)
- Indian Statistical Institute Admission Test (ISIAT)

Realistic Colleges Exams

- Basis Qualifying Exam (SRM Institute of Science and Technology, Chennai, Christ UG exams)

Backup Colleges Exams

- Manipal Academy of Higher Education (MAHE) - Manipal Entrance Test/Srishti Manipal Entrance and Aptitude Test (Manipal Institute of Technology MIT Karnataka)
- Basis Qualifying Exam (Birla Institute of Technology Mesra Off Campus Jaipur)

• Information Technology & Computer Science (Primary)

Career Pathway-

Software Engineers and Diplomats

Course

- B.Tech. (Computer Science Engineering)

Colleges

Aspirational Colleges

- Indian Institute of Technology Madras
- Indian Institute of Technology Delhi (IIT D)
- Indian Institute of Technology Bombay

Realistic Colleges

- Indian Institute of Technology Kanpur
- Indian Institute of Technology Kharagpur
- National Institute of Technology Trichy

Backup Colleges

- IIIT Hyderabad
- National Institute of Technology Patna
- Manipal University Jaipur

Entrance Exams

Aspirational Colleges Exams

- Joint Entrance Examination Advanced (Indian Institute of Technology Madras, Indian Institute of Technology Delhi (IIT D), Indian Institute of Technology Bombay)

Realistic Colleges Exams

- JEE-Advanced (Indian Institute of Technology Kanpur, Indian Institute of Technology Kharagpur)
- Joint Entrance Examination Advanced (Indian Institute of Technology Jammu)

Backup Colleges Exams

- Joint Entrance Examination - MAIN Engineering Paper 1 (National Institute of Technology Patna)
- CUET-UG (Manipal University Jaipur)

• Engineering & Technology (Backup)

Career Pathway-

Robotics and Automation Engineers

Course

- B.Tech. (Robotics)

Colleges

Aspirational Colleges

- Indian Institute of Technology Madras
- National Institute of Technology Kurukshetra

Realistic Colleges

- SRM Institute of Science and Technology, Kattankulathur, Chennai
- Symbiosis International (Deemed University), Lavale, Pune Campus
- Guru Gobind Singh Indraprastha University

Backup Colleges

- Manipal University Jaipur
- Jawaharlal Nehru Technological University JNTUH, Kukatpally
- Amity University Noida

Entrance Exams

Aspirational Colleges Exams

- JEE-Advanced (Indian Institute of Technology Madras)
- Joint Entrance Examination - MAIN Engineering Paper 1 (National Institute of Technology Kurukshetra)

Realistic Colleges Exams

- SRM Undergraduate Exams (SRM Institute of Science and Technology, Kattankulathur, Chennai)
- Symbiosis - SET/SITEEE/SLAT/SEED (Symbiosis International (Deemed University), Lavale, Pune Campus)
- Joint Entrance Examination - MAIN Engineering Paper 1 (Guru Gobind Singh Indraprastha University)

Backup Colleges Exams

- Manipal Academy of Higher Education (MAHE) - UG Exam (Manipal University Jaipur)
- TS EAPCET-Engineering, Agriculture and Pharmacy Common Entrance Test (Jawaharlal Nehru Technological University JNTUH, Kukatpally)
- Common University Entrance Test-UG (Amity University Noida)

Investigative

Conventional

Artistic

 Career Aspiration:
Software Engineers and
Diplomas, Artificial
Intelligence Engineer/AI
Experts

Medium Scored Areas

- Mechanical Aptitude: 4

Low Scored Areas

- Spatial Aptitude: 3

Career Cluster Recommendations

Primary Career Recommendation

Science & Mathematics

Why this Cluster?

- Fitment Score: 70/100 Highest cluster fitment score, indicating strong psychometric alignment.
- Stream Alignment: Directly matches PCM stream; all recommended pathways require PCM or PCMB.
- Aptitude & Personality: High numerical (7), verbal (8), and reasoning (8) aptitude; strong investigative and conventional interests.
- Interests: Enjoyment of Chemistry, Mathematics, and Physics aligns with cluster focus.
- Academic Score: Exceptional academic performance (98%) supports advanced science/mathematics careers.
- Profile Match: Analytical, introverted, and competitive personality fits research and technical roles.

Top Careers:

- [Data Scientist/Data Analysts](#)

Information Technology & Computer Science

Why this Cluster?

- Fitment Score: 66/100 Second-highest fitment, strong alignment with IT and computing roles.
- Stream Alignment: PCM stream required for most technical IT pathways; student qualifies.
- Aptitude & Personality: High reasoning and numerical aptitude; strong investigative and conventional interests.
- Interests: Passion for mind games (Sudoku, Rubiks Cube) and PCM subjects supports logical and computational thinking.
- Academic Score: 98% indicates readiness for competitive IT programs.
- Profile Match: Preference for introverted, focused work matches IT/CS career demands.

Top Careers:

- [Software Engineers and Diplomas](#)

Backup Career Option

Engineering & Technology

Why this Cluster?

- Fitment Score: 58/100 High fitment and strong PCM alignment.
- Stream Alignment: PCM stream is mandatory for all core engineering pathways.
- Aptitude & Personality: High numerical and reasoning scores, with strong analytical and problem-solving orientation.
- Interests: Likes Mathematics, Physics, Chemistry; enjoys technical hobbies.
- Academic Score: 98% supports success in rigorous engineering courses.
- Profile Match: Introverted, competitive, and focused personality suits engineering environments.

Top Careers:

- [Robotics and Automation Engineers](#)

Aspirational Career: Software Engineers and Diplomas, Artificial Intelligence Engineer/AI Experts

Evaluation:

• Students PCM stream, exceptional academic record (98%), high aptitude scores (numerical, reasoning, verbal), and strong investigative/conventional interests directly support aspirations in IT and AI engineering. Personality is well-suited for focused, technical work. The student is highly competitive for these fields, but should prepare for intense entrance exams and the competitive nature of top programs. No major gaps identified.

Final Recommendation: Suitable
